Enrollment During the Term of Expulsion

If a student has been expelled for an act other than those specified in Education Code 48915(a) or (c), the parent/guardian shall, upon enrollment, inform the receiving district of the student's status with the previous district. (Education Code 48915.1)

A student expelled for acts other than those specified in Education Code 48915 (a) or (c) may be admitted or conditionally admitted during the term of expulsion when the Board of Education or designee determines at a hearing that the student does not pose a potential danger to district students or employees. The student shall be admitted provided that, subsequent to the expulsion, the student either has established legal residence in the district or has enrolled as part of an interdistrict agreement. However, if such a student is found to pose a potential danger, the Board may deny enrollment for the remainder of the expulsion period. (Education Code 48915.1)

If the student or parent/guardian neglects to inform the district that the student was expelled from the student's previous district for an act other than those listed in Education Code 48915(a) or (c), the Board shall record and discuss this lack of compliance during the hearing. (Education Code 48915.1)
