SCHOOL DAY

The Board of Education shall fix the length of the school day subject to the provisions of law. (Education Code 46100)

(cf. 6111 - School Calendar)

The length of the school day shall apply equally to students with disabilities unless otherwise specified in the student's individualized education program or Section 504 plan.

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education under Section 504)

The Superintendent or designee shall schedule class periods giving consideration to course requirements and curricular demands, availability of school facilities, the age and attention span of students, and legal requirements.

The Board encourages flexibility in scheduling so as to provide longer time blocks or class periods when appropriate and desirable to support student learning, provide more intensive study of core academic subjects or extended exploration of complex topics, and reduce transition time between classes.

(cf. 4131 - Staff Development)
