☒ Discussion/Action

Board Date: March 5, 2008

Background Information:

We recently learned of additional (special education) positions that we may be able to eliminate or reduce in the 2008-09 school year.

Educational Implications:

Current referrals to the preschool programs have diminished. Therefore we believe that we will be able to provide a positive educational environment with the reduction of the 1.0 preschool teacher.

The .5 Resource Specialist Teacher is the result of the District no longer providing such services to Chico Country Day School per their request.

Fiscal Implications:

Approximately \$150,000 in savings

Recommendation:

Approval of Resolution 1014-08
