☐ Information Only

☐ Discussion/Action

Background Information

SkillsUSA is a partnership of students, teachers and industry working together to help ensure America has a skilled workforce. SkillsUSA helps each student excel in leadership and specific content areas. Our PV SkillsUSA CTSO students would be attending Shasta College Welding department 2-day seminar and contest in the areas of welding technologies

Education Implications

All content and leadership materials are aligned with industry and curricular state standards. Students attending this conference/competing in the contests will be better prepared for career and college by the knowledge and experience they will gain.

Fiscal Implications

Using CCPT, CTEIG and Carl D Perkins Grants. Each of these grants sight CTSO's and student leadership development as criteria for each.
