6. DISCUSSION CALENDAR

- 6.1 Randy Meeker, Assistant Superintendent – Business Services, reviewed Resolution No. 948-05 regarding the 2004-05 appropriations limit and the projected 2005-06 appropriations limit, known as the GANN limit.
- 6.2 Randy Meeker, Assistant Superintendent – Business Services, reviewed the First Interim Budget. For the 2005-06 fiscal year, the CUSD is projecting total revenues of \$99,279,639 and expenditures of \$103,591,548 for a decrease in fund balance of (\$4,322,909). The Board used \$1,663,065 in one-time dollars from 2004-05 to soften cuts in 2005-06. The combination of one-time and actual cuts allowed CUSD to balance the 2005-06 budgets. Some of the significant points that impact CUSD are: P-2 ADA continuing to decline; deficit spending continues; fund balance continues to decline and board flexibility in fund balance has almost vanished.
- 6.3 Scott Jones, Director – Fiscal Services, reviewed the proposed agreement with Demsey, Filliger & Associates to determine the District's long-term liability of post retirement health benefit program. Government Accounting Standards Board #45 requires school districts to do an actuarial study.
