Staff Advisory Committee

The Superintendent or designee may establish a staff advisory committee to evaluate the completeness of a charter petition based on the requirements in Education Code 47605 and to identify any concerns that should be addressed by the petitioners.

Components of Charter Petition

All charter petitions shall comply with the applicable requirements of Education Code 47605, other state and federal laws, and district policies.

The charter petition shall include affirmations that the charter school will be nonsectarian in its programs, admission policies, employment practices, and operations; will not charge tuition; and will not discriminate against a student on the basis of characteristics listed in Education Code 220. The petition shall also contain reasonably comprehensive descriptions of:

1. The educational program of the proposed school, designed, among other things, to identify those whom the school is attempting to educate, what it means to be an “educated person” in the 21st century and how learning best occurs. The goals identified in that program shall include the objective of enabling students to become self-motivated, competent and lifelong learners.

2. The charter school’s annual goals for all students and for each numerically significant subgroup of students identified pursuant to Education Code 52052, including ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. These goals shall be aligned with the state priorities listed in Education Code 52060 that apply to the grade levels served. The petition shall also describe specific annual actions to achieve those goals. The petition may identify additional priorities established for the proposed school, goals aligned with those priorities, and specific annual actions to achieve those goals.

Regulation Approved: EAC-4/25/07; SAC-2/1/07; 07/01/18; 05/04/20; 03/01/21; 06/26/23
If the proposed charter school will serve high school students, the petition shall describe the manner in which the school will inform parents/guardians about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable, and courses approved by the University of California or the California State University as creditable under the “A-G” admissions criteria may be considered to meet college entrance requirements.

3. The measurable student outcomes identified for use by the charter school.

**Student outcomes** means the extent to which all students of the school demonstrate that they have attained the skills, knowledge and attitudes specified as goals in the school’s educational program, including outcomes that address increases in student academic achievement both schoolwide and for each numerically significant subgroup of students served by the charter school. The student outcomes shall align with the state priorities identified in Education Code 52060 that apply for the grade levels served by the charter school.

4. The method by which student progress in meeting the identified student outcomes is to be measured. To the extent practicable, the method for measuring student outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.

   b. The charter school shall develop a school safety plan which includes the topics listed in Education Code 32282(a)(2)(A)-(J)
   c. The charter school’s safety plan shall be reviewed and updated by March 1 each year.

The means by which the charter school will achieve a balance of racial and ethnic students, special education students, and English learner students, including redesignated fluent English proficient students, that is reflective of the general population residing within the district’s territorial jurisdiction.

9. The charter school’s student admission policy. The petition shall, in accordance with Education Code 47605(e), specify procedures for determining enrollment when the number of applicants exceed the school’s capacity, including requirements for the use of a public random drawing, admission preferences, and priority order of preferences as required by law and subject to Governing Board approval.

10. The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the Board’s satisfaction.

The procedures by which students can be suspended or expelled for disciplinary reasons or otherwise involuntarily removed for any reason, including an explanation of how the charter school will comply with federal and state constitutional procedural and substantive due process requirements as specified in Education Code 47605.

Such procedures shall contain a clear statement that no student shall be involuntarily removed by the charter school for any reason unless written notice of the intent to remove the student is given to the student's parent/guardian at least five school days before the effective date of the removal. In the case of a homeless student or foster youth, the notice shall be given to the student's educational rights holder. Additionally, a foster youth's attorney, and county social worker, and an Indian child's tribal social worker, and if applicable, the county social worker, shall be given such notice.

The notice shall inform the student, the student's parent/guardian, and any other specified individual, as applicable, of the right to initiate a hearing as described in Education Code 47605, before the effective date of the removal. The notice shall be provided in the student's parent/guardian's, or other applicable person's language, and, if such a hearing is initiated, shall include the student's right to remain enrolled in the charter school until a final decision is made by the charter school.

In addition, the procedures shall contain a statement pertaining to the provision of homework assignments to suspended students as specified in Education Code 47606.2.

Such procedures shall also include processes by which the charter school will notify the Superintendent of the district of the student's last known address and, upon request, provide the student's cumulative record to the district, when a student is expelled or leaves the charter school without graduating or completing the school year for any reason. In addition, the procedures shall describe the means by which the district can contact the charter school if the student is subsequently expelled or leaves the school district without graduating or completing the school year for any reason.

*Involuntarily removed* means disenrolled, dismissed, transferred, or terminated, but does not include suspensions. (Education Code 47605)
