STUDENT ACTIVITY FUNDS

Student Body Organization

The Board of Education is authorized to establish regulations for the proper conduct of student body activities and to serve as the controlling authority for all student body funds. In response to this authority, the district has established the following control procedures which shall be followed by each authorized student body:

1. The establishment of a student body organization
2. The administration of the activities of the student body
3. The operation and management of the student body finances

Establishment of the Student Body Organization

Students in elementary and secondary schools are authorized to establish a student body association subject to the control of district policy and procedures and under the direction of the school principal. A student body organization shall conduct its activities as approved by the principal on behalf of the students at the school.

Student body organizations shall adhere to the following procedures:

1. Student body funds must be used to promote and finance a program of worthwhile co-curricular activities beyond those provided by the district.
2. Fund-raising projects must contribute to sound educational principles and should not be in conflict with the educational program of the district.
3. Funds derived from student body activities must be expended in a manner approved by the student governing board.
4. The accumulation of large student body reserves is discouraged. Student body funds must be expended for the benefit of those students currently enrolled in the school who have contributed in one way or another to the accumulation of such funds. Well-planned, long-range programs may be carried forward from year to year.
5. Prior approval by the student governing body and principal must be obtained in fund raising and expending student body funds. Board approval is required for major fund-raising activities.
6. Student body funds are to be managed in accordance with sound business practices, including adherence to accepted budget procedures.
7. Student body business, including fund raising and expending of funds, will be conducted so that competition with local business firms is kept to a minimum.
8. The school principals, through the authority delegated to them, are responsible for the proper conduct of the financial activities of the student body.
9. Principals and their delegates must participate in the preparation, modification and interpretation of procedures and regulations affecting student body affairs.

Regulation Approved: EAC-4/25/07; SAC-2/1/07; 04/03/23
Administration of the Activities of the Student Body

The administration of student body activities is the responsibility of the following:

**Board of Education:** The Board is responsible to establish policy to ensure proper supervision and controls of the student body, specifically financial control.

**Superintendent:** The Superintendent is responsible to establish procedures necessary to implement district policy.

**Assistant Superintendent-Business Services:** The Assistant Superintendent of Business Services is the consultant on student body organization financial matters.

**School Principal:** The school principal is directly responsible for all student body financial activities at the school site. The principal/designee shall work closely with the student body advisor to make sure that the correct procedures are followed. The principal shall establish a student body finance committee made up of the school principal/designee, student body advisor, and the appropriate student body officers.

**Accounting Technician:** The accounting technician for the student body organization is responsible to the principal for keeping the financial records, including the appropriate tax reports. The student body accounts are to be made in accordance with the established system that encompasses elements of internal control and good accounting practices. The accounting system for student body organizations shall follow the prescribed methods outlined in the manual. **Fiscal Crisis Management Assistance Team (FCMAT):** Accounting Manual.

**Student Council:** According to the constitution of the student body, the student council is responsible for the adoption of a budget, approval of expenditures, and the authorization of fund-raising activities as approved by the principal/designee.

**Internal Audit:** The district will provide internal auditing services on an as-needed basis.

Management of the Student Body Finances
