TRANSPORTATION

No student shall be required to be transported for any reason without the written permission of the student's parent/guardian, except in emergency situations involving illness or injury to the student, or a school evacuation.

Means of Transportation

To provide transportation services, the Governing Board may purchase, rent or lease vehicles; contract with a common carrier or municipally owned transit system; contract with responsible private parties including the parent/guardian of the student being transported; and/or contract with the County Superintendent of Schools.

In contracting for transportation services, the district shall comply with all applicable laws related to bids and contracts.
