Affordability of Health Coverage
The Superintendent or designee shall seek written assurance from the district's health insurance carrier(s) that the health plan offered to full-time district employees and their dependents meets all requirements of the federal Patient Protection and Affordable Care Act. (42 USC 300gg-300gg95; 26 USC 4980H; 26 CFR 54.4980H-54.4980H-6)

The Superintendent or designee also shall ensure that each employee's contribution to the employee-only health coverage does not exceed 9.5 percent of the employee's modified household income, as defined in 26 USC 5000A. The Superintendent or designee shall calculate the affordability of the coverage using one or more of the following methods in a uniform and consistent basis for all employees within the same category: (26 USC 4980H; 26 CFR 54.4980H-4-54.4980H-5)

1. The district shall ensure that the lowest cost employee-only coverage does not exceed 9.5 percent of wages paid to the employee by the district for the calendar year as reported on the employee's W-2 tax form. For an employee not offered coverage for an entire calendar year, the wages shall be adjusted to reflect the period for which coverage was offered.

2. The district shall ensure that the employee's required monthly contribution for the lowest cost employee-only coverage does not exceed 9.5 percent of an amount equal to 130 hours multiplied by the employee's hourly rate of pay on the first day of the plan year or the employee's lowest hourly pay during the calendar month, whichever is lower.

3. The district shall ensure that the employee's contribution does not exceed 9.5 percent of a monthly amount determined as the federal poverty line for a single individual for the applicable calendar year, divided by 12.

Retired Certificated Employees
Any former certificated employee who retired from the district under any public retirement system and their spouse/domestic partner shall be permitted to enroll in a health and welfare and/or dental and vision care benefit plan currently offered to certificated employees. The plan also shall be available to any surviving spouse/domestic partner of a former certificated employee who either retired from the district under any public retirement system or was, at the time of death, employed by the district and a member of the State Teachers' Retirement System. (Education Code 7000)

A retired certificated employee or surviving spouse/domestic partner shall be allowed to enroll in the coverage within 30 days of losing active employee coverage. If the employee does not enroll during this initial enrollment period, the employee may be denied further opportunity to do so. (Education Code 7000)

However, a former employee who, prior to January 1, 2005, worked for the district for at least five years and who was age 55 or older on the date employment ended, or their spouse/domestic partner or former spouse/domestic partner, may continue benefits until the earlier of any of the following events: (Health and Safety Code 1373.621; Insurance Code 10116.5)
