Employees who work less than a full fiscal year or fewer than five days a week (part-time employees) shall be granted sick leave in proportion to the time they work. However, part-time employees who are entitled to less than 24 hours of paid sick leave per fiscal year due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if they are eligible. (Education Code 45191; Labor Code 245-249)

(cf. 4161/4261/4361 - Leaves)
(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

Use of Sick Leave
A classified employee may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of or in the course of employment, or by quarantine, which results from contact in the course of employment with other persons having a contagious disease (Education Code 45199)

2. Pregnancy, childbirth and recovery (Education Code 45193)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity as specified in Education Code 45207

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical or dental appointments, in increments of not less than one hour unless specified by the contract where use is at the beginning or end of the work day or at the start or end of the lunch break.

5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 45192)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

6. Need of an employee to bond with a child within one year of the child’s birth, adoption, or foster care placement (parental leave) (Education Code 45196.1; Government Code 12945.2, 12945.6; 29 USC 2612; 29 CFR 825.112)

7. Need of the employee or the employee’s family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Labor Code 233, 246.5)

8. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee or the employee’s child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave
that would be accrued during six months at the current rate of entitlement. (Labor Code 233)

An employee may take leave for personal illness or injury at any time during the year, even if credit for such leave has not yet been accrued. However, a new full-time classified employee shall not be entitled to more than six days of sick leave, or the proportionate amount to which the employee may be entitled, until the first day of the month after the employee has completed six months of active service with the district. (Education Code 45191)

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 45191)

An employee shall reimburse the district for any unearned sick leave used as of the date of termination.

The district shall not require newly employed classified employees to waive leave accumulated in a previous district. However, if the employee’s previous employment was terminated for cause, the transfer of the accumulated leave shall be made only if approved by the Governing Board. (Education Code 45202)

The Superintendent or designee shall notify any classified employee whose employment with the district is terminated after at least one calendar year for reasons other than for cause that, if the employee accepts employment in another district, county office of education, or community college district within one year of the termination of employment, the employee may request that the district transfer any accumulated sick leave to the new employer. (Education Code 45202)

Additional Leave for Disabled Military Veterans
In addition to any other entitlement for sick leave with pay, a classified employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 12 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or higher by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time worked. (Education Code 45191.5)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of the disability application to the U.S. Department of Veterans Affairs or on the first day the employee begins or returns to employment after active duty, whichever is later. When the employee receives the disability rating decision, the employee shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 12-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 45191.5)

The Superintendent or designee may require verification, in accordance with the section “Verification Requirements” below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 45191.5)

Notification of Absence
An employee shall notify the Superintendent or the designated manager or supervisor of the need to be absent as soon as such need is known so that the services of a substitute may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district.
**Continued Absence After Available Sick Leave Is Exhausted/Differential Pay**

When a classified employee has exhausted all paid leaves, including sick leave, and continues to be absent on account of illness or injury for a period of the five months or less, the district shall deduct from the employee's regular salary for that period an amount that does not exceed the actual cost of a substitute to fill the position. (Education Code 45196)

The five-month period shall commence on the first day of the leave of absence and shall run concurrently with any other paid leave.

**Parental Leave/Baby Bonding**

During each school year, a classified employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period of up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code 45196.1)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 45196.1)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay of at least 50 percent of the employee's regular salary for the remainder of the 12 work weeks. (Education Code 45196.1)

Parental leave taken pursuant to Education Code 45196.1 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 45196.1; Government Code 12945.2, 12945.6)

**Extension of Leave**

A permanent employee who is absent because of a personal illness or injury and who has exhausted all available sick leave, vacation, compensatory overtime, and any other paid leave shall be so notified, in writing, and offered an opportunity to request additional leave. The District may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. The total additional leave granted shall not exceed 18 months. (Education Code 45195)

*(cf. 4216 - Probationary/Permanent Status)*

If the employee is still unable to return to work after all available paid and unpaid leaves have been exhausted, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes medically able, the employee shall be offered reemployment based upon seniority in the first vacancy in the classification of the employee’s previous assignment. During the 39 months, the employee's reemployment shall follow the order of offers in the Collective Bargaining Agreement. (Education Code 45195)

**Verification Requirements**

When absence due to illness or injury occur, the employee shall immediately enter the absence into the absence tracking system.

The Superintendent or designee may require verification whenever an employee’s absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

Regulation Approved: 03/06/08; 05/02/16; 01/17/17; 05/03/17; 02/25/19; 05/04/20; 08/14/23
In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for additional leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny the request for additional leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization or extended medical treatment may be asked to submit a letter from a physician stating that the employee is able to return to work and stipulating any recommended restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)  
(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Unused sick leave shall not carry over to the following year of employment. (Labor Code 246)
