COMPREHENSIVE PLANS

The Board of Education believes that careful planning is essential to effective implementation of district programs and policies. Comprehensive plans shall identify cohesive strategies for school improvement and provide stability in district operations, and be aligned to ensure consistency among district approaches for student academic growth and achievement.

Such plans may describe anticipated short- and long-term needs, measurable outcomes, priorities, activities, available resources, and timelines, staff responsibilities, and strategies for internal and external communications regarding the plan.
