On May 17, 2023 the Board of Education requested options regarding the long-term housing of Inspire School of Arts & Sciences that allows for utilization of the Proposition 51 grant funds. The Facilities Team brought forward four potential options for Board consideration: (1) Make permanent improvements to the Chico High School campus.       The Board discussed the logistics and the intent of the motion. Board Member Robinson pulled her motion from the table. Board Clerk Tennis made a friendly amendment, to the remaining motion on the floor, to direct staff to return at the August 23 Board Meeting with options to fund the $10 million dollars. The friendly amendment was accepted. The Board discussed the current draft Facilities Master Plan and bond cycle. Board President Dalby clarified the Board’s intent is to approve up to $10 million to be fronted for Inspire with the direction that staff will return in August providing options outlining the conditions for how the $10 million will be paid out by the District and repaid by Inspire School of Arts and Sciences.

      The Board clarified the final motion on the floor and called for the vote. The Board intends to fund the Fremont Street Project (also referred to as Canyon View Property) up to $10 million pending ultimate approval of the repayment options at the Chico Unified School District (CUSD) School Board’s August 23 Board Meeting.

At 8:17 p.m. Assistant Superintendent Jim Hanlon shared the Chico Unified Management Association (CUMA) is not a union and therefore the District does not negotiate with the management association. However, it has been a long-standing practice of the District to offer the same wage adjustments to CUMA that it offers to Chico Unified Teachers Association (CUTA) and the California School Employees Association (CSEA). The wage agreement language is exactly the same as the CUTA agreement with the exception that CUMA has selected to apply all increases to only the salary schedule and nothing to Health and Welfare Benefits. CUMA members agree to pay the full cost of any Health and Welfare increases out of pocket. The agreement with the California School Employees Association (CSEA) will be brought forward in September.
